

Member Mondays

Member Mondays are events to help you learn more about accessing benefits and services from Vaya Health. Each event will cover a specific Vaya Total Care or health/wellness topic and offer an open question and answer session. You will also learn about helpful contacts at Vaya and ways to get involved in stakeholder groups to share your ideas and feedback. These events are created for members, recipients, beneficiaries, families, and caregivers, but are open to the public.

How can I learn more?
